# Pastor's Pen

Good morning and welcome to Eastview Baptist Church. We are very pleased that you can join us this morning as we worship our Living God.

Today, we are farewelling some of our loved ones off on an adventure!

It is always hard to say goodbye, but it is part of modern life, where we live in a very mobile society.

The time when Jesus Christ lived on earth was a very mobile time too. The Roman Empire ruled the Mediterranean world, and they built roads over lots of areas, to make it easier for their soldiers to conquer new territory. This, plus the fact that koine Greek was a common language across the area, meant that Gospel spread out relatively quickly as Jesus' disciples fled persecution. We read about this in the book of Acts.

What are the possibilities for the spread of the Gospel that our modern world presents us with?

One of them is the number of people from other lands who have come to live in NZ. We have our very own mission field in the Botany area.

How better could we reach this area for Christ? I would be very interested in any ideas you may have.

God bless you,

Robyn
