Good morning and welcome to Eastview Baptist Church. We are glad that you can be with us this morning, while our families are off on another escapade with Adventure Church!

This morning we are finishing our sermon series in Matthew 6, by looking at Jesus' words on why we should not worry.

Worry seems to be endemic in our society! If we read any of the newspapers, we can read lots of reasons why: Climate change, racism, rumours of wars, downturns in the economy etc.

And yet, Jesus tells His disciples not to worry. Why? Because we have a Father in heaven who knows our every need.

It is interesting that Jesus uses nature to demonstrate God's goodness.

Personally, I find that a beautiful sunset or a walk by the sea always reminds me of God's greatness. And now scientists are telling us that reflecting on the beauty of nature can seriously rewire our brains for good! That is not a surprise when we have such an amazing Creator!

So, if you're struggling with worry today, give your concerns to God and try to spend some time in nature with Him this afternoon. If you need prayer for this or any other reason, I would love to pray with you,

God bless you,

Robyn
