Front door welcomers and farewellers:

Welcome and greet people as they come in the front doors; introduce yourselves to any newcomers or visitors. When directed by the person leading the service, pass around the offering bags and take the offering bags and cane food basket basket to the front. **Set up chairs for seniors after service starts.**

Auditorium door ushers:

Greet people as they enter the auditorium and give them a copy of the newsletter. At about 10:15, count the people in the auditorium and creche and write the info onto the small slip of paper on the clipboard on the ledge of the church office. **Set up chairs for seniors after service starts.**

*If your rostered day on does not suit , could you please swap with someone else on the roster. Please contact **David or Lynda Merriman 527 3141** or mathmerriman@gmail.com if you have any difficulties.*

Thank you all for your part in this vital ministry. It helps everyone feel welcome.
